DUE DATE: April 5, 2008

Please return completed form, with payment
to the COMPLETED ONE-LINER folder.

(Please note: each participant receives one free One-Liner)

A One-Liner is a message that appears in the production program. A One-Liner consists of up to 35 characters, including spaces and punctuation.

Examples: Jen, You're the Greatest! ♥M&D OR Anna, Break a Leg! UR bud ☺LT

The price is \$5 per 35 characters. The cost goes directly to help offset the price of printing the program.

This is your chance to say something special to your favorite star, friend, parent, etc. Do not miss this opportunity to personalize your program and make it a real keepsake. Be aware that more than one cast member may have the same name. Be as personal as possible and include names (who the message is to and from) wherever possible. A separate sheet or the back of this page may be used if more room is needed.

Use this form to place your One-Liner orders. Remember to count spaces and punctuation.

These special characters are available to use in your One-Liners and each take one space.
