#### Musical Theater Camp Week 1 - March 29-April 2

This one week camp will take young actors into the exciting world of musical theater! Explore singing, acting and dancing techniques to help tell a story. Students will enjoy learning about theater while practicing large and small group musical numbers. An excellent opportunity for the seasoned performer as well as beginners.

#### Create Your Own Skit Week 2 - April 5-9

For this camp students will work in groups to write and perform their own theatrical pieces. We will explore character and place as well as storyline, plot and conflict. Then we move into the acting realm as our characters make the leap from the page to the stage!

#### Audition Monologue & Improv

Week 3 - April 12-16

Always wanted to get started in show business but not sure how? Been auditioning for a while but want to improve your auditioning technique? Well this is the camp for you. We will spend the week working on a monologue and practicing for auditions. But it's not all work, as we will also explore acting and improvisation games to assist each actor with his or her skills.

*This event/program is not sponsored by the San Mateo-Foster City School District.*

*Bay Area e.T.c. is a non-profit organization and admits participants of any race, color and national or ethnic origin.*
